Chair welcomes everyone back from summer break.

PREVIOUS MINUTES; were approved and seconded by C Buchanan and L Jackson

MATTERS ARISING; Regarding siting of defibrillators; Jeff has sent paperwork to Peter from co-op to see if it is possible. Other sites identified could be St Francis Centre and Police station. It may be that sites already having defibrillators should be identified and when they are open for the apparatus to be used.

POLICE: since 21st July no drug incidents, 2 assaults reported, 2 serious assaults, 5 vandalism- 2 involving youths, 1 indecent exposure in Ballater St, 8 calls about youths, drugs paraphernalia found. Discussion about reduction of youth disorder- some youths still in park.

TREASURER'S REPORT; 1760.63, how do we spend this? Next grant will be after AGM.

Should we look at defibrillators? Look to Lisa from health engagement team to see what will be at new health centre.

COUNCILLORS REPORTS: no Councillors attended comments arising from the meeting included- could anything be done with a problem in the local pub- pig and whistle- beer garden has hole which was partly covered with pallets resulting in injuries to two women- health and safety issue.

What is happening with restaurant in ballater street?

Foodbins at Cumberland street remain unemptied and bins not cleaned.

Buddleia bushes at Caledonia Rd still not removed, overgrown

Can anything be done to stop gambling ads on tv- too many of them.

Do they know why there is a 30ft skip at Caledonia Rd, conifer trees hiding the skip

STREET PARKING; Seems to be getting worse and we are entering the completion of the health Centre which has the capacity of enhancing the problem. Awaiting answers from Roads dept.

CORRESPONDANCE; Licenses for Iceland and Aldi at the old Castle site, HMO license for the site at St Lukes – for students from the College- never had problems so we have never objected.

DATE OF NEXT MEETING; DUE TO AGM OF NEW GORBALS OUR NEXT MEETING WILL BE **25TH AUGUST 2018 AT 7PM.**
