Comments; road accident in Naburn Gate- car left in middle of road. Ballater St person taken in ambulance had been part of drug exchange. **GORBALS FAIR:** report from Penny will be ready for Fair, we will meet with her on Wednesday 31<sup>st</sup> where she will advise us on the next stage. Libby showed sample of questions for the residents who attend the fair to find the views of the wider community to the parking issue.

**COUNCILLORS REPORT;** Cllr J Scanlon will be attending our meetings, he has had some complaints from Community about bus shelter at Caledonia Rd-

there is not much shelter given due to the lack of sides- responsibility of Glasgow City council and ad company. Problem with bins overflowing at playpark next to Silverfir ,complaint from Angie at task. Perhaps it would be good to get LES to give us the latest list of pickup times of bin lorries to assist the Community.

New SNP Cllr A Belic just getting to grips with areas, agrees that Gorbals seems to have parking issues being at the edge of town like other areas such as Partick.

Cllr M Hunter- continues to have talks with LES regarding events in Glasgow Green. Changes may occur in relation to event spaces as time goes on. We are not opposed to events in green but not all events are suitable.

Comments; traffic lights out at Caledonia rd/Cumberland street. Discussion on Govanhill.
