

19th June 2017

Traffic Restriction Update- Local Access Only for Greendyke Street

Dear Local Resident,

We are writing to you to advise that there will be a change to our operational plans. This is an update to information that was sent out in our "A Guide for Local Residents" Leaflet.

Greendyke Street will now be closed on the 6th, 7th, 8th and 9th July, maintaining access for Local Residents via Turnbull Street.

Residents living on the following streets will be issued with Parking Permits to maintain this access:

- Greendyke Street
- Lanark Street
- Charlotte Street

Please find enclosed 2 Local Resident Parking Permits. Please safeguard your permit and hang it on your rear-view mirror between Friday 7th - Sunday 9th July to allow us to determine that you are a local resident and allow you access to the 'Local Access Only Restrictions'. If you need to request more permits, please contact us via email on local@TRNSMTfest.com or by phone via the Local Resident Enquiry Line (from Monday 26th June).

The local access only restrictions are put in place to give the residents protection from rogue parking, deterring concert goers from parking in your area. Stewards will be briefed to allow vehicles such as taxis and delivery vans access to restricted roads to minimise disruption for Local Residents. Please refer to the initial leaflet "A Guide for Local Residents" for full road restriction information, including Road Closures for ALL traffic, including local residents.

Stewards will be in place in the following positions from 10am on Friday 7th July and from 8am on Saturday 8th and Sunday 9th July until egress is complete each night:

- Greendyke Street at Lanark Street
- Dyers Lane at Turnbull Street
- Dyers Lane at London Road

Please note, from Monday 26th June to Friday 14th July we have set up a dedicated Local Resident Enquiry Line. This will connect you directly to the TRNSMT Event Command Control. Please contact us should you have any enquiries or if you require any additional assistance. Operational times are located in your leaflet.

- Local Residents Enquiry Line: **0141 227 7440**
- Local Residents Enquiry Email: **LOCAL@TRNSMTFEST.COM**

Thank You
TRNSMT Team
